

TORPEDOES CASINO POLICY - 2022/2023

Preamble

1. Calgary Torpedoes is a registered non-profit organization and is able to subscribe to Alberta Liquor, Gaming and Cannabis (AGLC) Charitable Gaming Program. This program provides the club with a significant portion of revenue used to operate the Club. The AGLC determines which operating costs can benefit from casino revenues. It is the club's responsibility to meet the requirements set out by the AGLC to remain eligible for the program.

Definitions

2. Member - Any parent or guardian of a player. Any person of the community who has applied, been approved by the board and paid membership fee. All need to be in good standing.

Purpose

3. This policy describes how these requirements are achieved and sets forth clear and transparent expectations for Torpedoes members.

Casino Allocations

4. Torpedoes Club is awarded a Casino from AGLC approximately once every eighteen (18) to twenty-two (22) months.
5. Casino assignments are two (2) days encompassing daytime and nighttime shifts.
6. Each shift requires 13-16 positions to be filled.

Requirement

7. Each member is required to work at least one (1) shift per athlete registered, with the possibility of two (2) casino shift(s) dependent on club athlete registration, per awarded Casino.
8. For seasons with an AGLC awarded Casino, the Board has reviewed and approved a Casino bond of \$500 per member/athlete. Collection of the bond will be with a signed post dated cheque in the amount of \$500. Upon completion of the casino event, if the casino duties have not been fulfilled, the cheque will be cashed.
 - a. The bond(s) cheque will be post dated for after the Casino Date.
 - b. The bond(s) cheque will only be cashed if the member/athlete does not attend or fill their required shifts.
 - i. Casino bonds that are cashed due to non-fulfillment of requirements, will be deposited into the Club Cash Account and used towards the operating costs of the club.
 - c. In the event the bond(s) cheque is not received by the first practice, registration will be considered incomplete and the athlete will not be allowed in the water until the cheque is received. Until registration is complete, your athlete will not be entered into the Water Polo Canada database and therefore will not be covered by club insurance.

- d. Should a Casino Bond amount be returned NSF, a \$50 fee will be assessed.

Pledge

9. *During the Torpedoes registration all parents agree to the following in writing: As a parent of a member of The Calgary Torpedoes Water Polo Club (the "Club"), I recognize that I may be obligated to provide a Casino bond for each athlete I register as part of the registration process. All fundraising activities help the Club over all, and are endorsed by the Club Executive. I understand, and agree, that the Casino bond cheque I submitted will be cashed in the event I do not meet the Casino commitment for the season. I understand that the prefilled bond cheque of \$500 is required to be submitted at the time of registration, orientation or prior to the first practice to activate my athlete's registration in the club. All bond requirements are per athlete registered, not per family registered.*

11. Members can sign up for shifts via the website.
